

Fund More Loans With **Internet Direct Mail**

Direct Mail converts (if you have the right list)! Introducing the first Internet mortgage direct mail database! Our Internet Mortgage Database is different! Our unique direct mail data lists start with consumers that have raised their hands via an Internet lead form for a refi or purchase quote from a tier one provider! We then take these high interest borrowers, verify, scrub and append the leads with up to date:

- ✓ Current Title holder(s)
- ✓ Current AVM value
- ✓ Current amortized LTV
- ✓ Current lien type (FHA, VA, CONV, ARM)
- ✓ All current liens
- ✓ Last finance event (type, date, term, rate)
- ✓ Originating lender
- ✓ 241+ current Mortgage Lien, Title, Transaction History and Property data elements to each lead

TARGET the exact highly engaged in market borrower that you are looking for with our lists!

Unlike others offering direct mail data out there, our data is:

- ✓ **Actively engaged**
- ✓ **Highly responsive**
- ✓ **Accurate and targeted to your goals**
